Quorum: **Established**

During the July Intergroup meeting it was approved to set up a Zelle account with the LVOA Nevada State Bank account. Unfortunately, NSB will not allow any Zelle accounts (business or otherwise). Since it was not known if there were other depositing programs that NSB would accept, during today's meeting, Cheryl contacted NSB and it was confirmed that NSB has no other options. Karen advised that PayPal can be set up with a 2.9% plus \$0.30 per transaction fee. An example of a transaction: \$20 receipt would cost LVOA \$0.88 in fees.

There is no fee to the donor.

Members were reminded that donations can still be mailed to Karen at 6240 N Jenson LV, NV 89149

**Motioned & 2<sup>nd</sup>:** Accept PayPal and setup link on the LVOA website. **APPROVED**

One advantage of PayPal is it accepts credit cards.

If LVOA can prove to PayPal that it is a verified non-profit organization, the percentage fee can be reduced to 2.2%. Cheryl will provide Karen with the paperwork to present to PayPal.

Agenda item for next Intergroup will be to discuss obtaining a credit card swiper for future LVOA events for ease of payment of registrations and event items purchased.

Meeting closed: 12:55 pm (approximate)
